

Appl. No.: 10/555,819

Second Preliminary Amdt. Dated January 17, 2007

**AMENDMENTS TO THE SPECIFICATION:**

**Please amend the specification by replacing the specification with the enclosed Substitute Specification, including replacement abstract. No new matter is added.**

**A Clean Version of the Substitute Specification, including Abstract, showing the specification incorporating the requested changes is enclosed at the end of this paper.**

**A Marked-Up Version of the Substitute Specification, including Abstract, showing the changes from the original specification also is enclosed, after the clean version.**
